## Online activities

Tasks and activities have been added to S2 English Teams in the Learning @ Home Folder

## Alternative activities

1. Read.

Read a book. Read a magazine. Read a newspaper. Read an internet article on a subject you are interested in. Just read. Every day.

2. Write.

Write a diary entry every day. It could just be an account of what you have done that day. Or you could go further and include your thoughts and feelings. Remember "show me, rather than tell me!" Just write. Every day.

3. Be kind.

These are confusing and unsettling times for us all. So be kind to the people around you. Talk to them. Listen to them. Just be kind. Every day.
