Activities – S1-3

Year group

S1

S2

S3

Subject/Teacher

Miss Thorley. Spanish

## Online activities

S2 classes have started to study holidays in Spanish.

They should access Teams and complete the power point. This week they will be studying countries and the present tense of ir – to go.

They will also be asked to complete a weekly challenge. This week they will do tongue twisters.

## Alternative activities

They should access

[www.languagesonline.org.uk](http://www.languagesonline.org.uk) and do some revision about countries. They can also revise the verb IR on this website.

They should then attempt to write some sentences saying where they go on holiday:

For example

Voy a Inglaterra – I go to England

Vas a Escosia – You go to Scotland
