S3

Subject/Teacher Business and ICT

Online activities

Classes are currently working through Disneyland Paris Booklet. This can be found in S2 Business and IT Teams. In files and the file is called Disneyland Paris. For some classes, this has been started in class and saved to their my documents on the school network. Pupils should be able to remember which task they had finished on in class and will be able to start from where they finished in class.

Alternative activities

Watch and/or read BBC News and keep a journal of the stories that have interested you. Think about how this news story will impact on businesses?

Sign up to RBS MoneySense. This is a free resource and you can sign up at a student in Scotland and select the appropriate age category. There are a number of activities that you can work through. There is also a section on MoneySense for Parents to sign up to.

Sign up to iDEA.org.uk and work towards completing their Bronze, Silver and Gold awards.
