Activities – S1-3

Year group

S1

S2

S3

Subject/Teacher Business Management

Online activities

Tasks and activities have been added to S3 Bus Man Teams in the Learning @ Home Folder

Clickview

In the Learning @ Home Folder we will include a Clickview folder. Here we will include some links to videos to watch that tie into topics we have covered, they also introduce some new concepts. When you have watched one of the videos create a summary sheet of what was covered.

Websites

www.bbc.co.uk/news/business or any other Business News website. Read the articles. Keep a journal of articles you have read, summarise the points from the article.

Bannantynes Case Study and Sectors of Industry – please download these files and email them to your teacher when completed.

Alternative activities

Watch the BBC News. Keep a journal or stories that you have watched. Note the impact the story will have on business.

Watch some recent business related documentaries (some of these are due to be broadcast or are available on catch up)

- Inside the Factory
- M&S vs Waitrose
- The Tube: Going Underground
- Dragon's Den – it's back on BBC2 on Sunday's at 8pm

Sign up to RBS MoneySense. This is a free resource and you can sign up at a student in Scotland and select the appropriate age category. There are a number of activities that you can work through. There is also a section on MoneySense for Parents to sign up to.

Sign up to iDEA.org.uk and work towards completing their Bronze, Silver and Gold awards.
