Online activities

Our Teams page is in working order. Please say hello so I know you're on too and have access to the page. If you're struggling to get access, please get in touch via email.

We are going to focus on **short story writing as part of our creative writing learning**.

I will guide us through all the learning. You must check the Teams page daily as I'll be uploading our learning, tasks and resources regularly.

We will do this in stages as I don't want us to become overwhelmed with an entire unit of learning.

Focus this week: Elements of a short story

Alternative activities

Activities for this week:

1. Read a novel, short story or newspaper article. Try your best to read for at least 15 minutes every day.
2. Audible is offering some free books online

To prepare for writing a short story, I recommend you read/listen to a book of your choice and comment on the different elements that make up a story. Choose from the Tween, Teen or Classic sections. I will upload a worksheet on Teams to keep record of your reading and notes.
