S3

Subject/Teacher Practical Craft (Technical Staff)

## Online activities

All S3 Practical Craft pupils have been added to Microsoft Teams - S3 Practical Craft. This is accessed through your Glow account .

Given assignments will be located in Files within the Teams S3 Practical Craft or through posts from staff.

The first assignment is 'Sequence of operations' in Files and follow up activities can be found in a teacher post with link to 'teachingwoodwork.com'

You can share the results of your work with your teachers and peers by posting pictures on Teams.

## Alternative activities

Watch an episode of 'The Repair Shop' or 'Money for Nothing' available on BBC iPlayer (<https://www.bbc.co.uk/iplayer>). Plenty of episodes to choose from, once registered, and good educational entertainment for all the family.
