## Online activities

All S3 Design & Manufacture pupils have been added to Microsoft Teams - S3 Design & Manufacture. This is accessed through your Glow account .

Given assignments will be located in Files within the Teams S3 Design & Manufacture.

The first assignment is '30 Day Design Challenge'. You can work through the given challenges in any order you wish. Some challenges may require you to do some initial research.

You can share the results of your work with your teachers and peers by posting pictures on Teams.

## Alternative activities

Watch an episode of 'The Repair Shop' or 'Money for Nothing' available on BBC iPlayer (<https://www.bbc.co.uk/iplayer>). Plenty of episodes to choose from, once registered, and good educational entertainment for all the family.
