Subject/Teacher

Design & Technology (Technical Staff)

## Online activities

All S1 pupils have been added to Microsoft Teams - S1 Design & Technology. This is accessed through your Glow account .

Given assignments will be located in Files within the Teams S1 Design & Technology.

The first assignment is '20 Design Challenges'. You can work through the given challenges in any order you wish. Some challenges may require you to do some research first on the given topic.

You can share the results of your work with your teachers and peers by posting pictures on Teams.

## Alternative activities

Watch an episode of 'The Repair Shop' available on BBC iPlayer (<https://www.bbc.co.uk/iplayer>). Plenty of episodes to choose from, once registered, and good educational entertainment for all the family.
