

## CELEBRATING YOUTH VOLUNTEERING IN SCOTLAND

All pupils at Lockerbie Academy from **S1 to S6** have the opportunity to help our communities now and in the future.

To recognise when young people have made the effort to give time to their communities the Scottish Government set up the Saltire Awards. This nationally recognised award has run for the past six years at Lockerbie Academy usually in the senior school but at these difficult times we are offering to any pupil at the Academy who volunteers their time out with of their home.

The **volunteering** could be as simple as dropping off shopping for a neighbour or help to tutor a younger pupil.

The link below will allow you to sign up for the Saltire Award.

<https://saltireawards.scot/>

This link will allow pupils to register to volunteer during this crisis in their local community.
